

BROADLAND BOWMEN – HOW TO FIND US.

We are located in Charles Wood which is just off the A148 Cromer to Holt road in North Norfolk. The entrance is located opposite a layby that leads to a place called the Lion's Mouth. Our W3W address is ///dinosaur.anyone.gradually you can use the app to navigate straight to our entrance.

If you are approaching from the east (Cromer) there is a layby on the left of the road and a speed sign on the right (40mph). The entrance is immediately after the road sign. If you pass this, you cannot turn into the next road on the right (Tower Road) as this is a no entry, you will need to carry on until you can turn into the garage on the left or the Roman Camp PH.

This is the approach from the East, coming from the direction of Cromer.

If you are approaching from the west then after you have passed the Roman Camp PH on your right heading towards Cromer, there is a no entry road (Tower Road) on the left, the entrance is immediately after the junction sign on the left.

This is the entrance gate.

This is the approach from the West (Holt)

If you miss the entrance, then continue to the roundabout and take the 3rd exit which will bring you back heading east.
